

WP6 Aims

- Work package 6 aims to identify and effectively engage with relevant stakeholders to understand perceptions of the role of S&SEs as part of a healthy diet and identify barriers and factors that could facilitate increased use of S&SEs .
 - This information will be synthesised with outcomes from WPs1-5 to guide innovation, dissemination and exploitation activity in the project.
- 1. Impact Planning (Task 6.1)**
 - 2. Conducting research (Tasks 6.2-6.6)**
 - 3. Dissemination of project outcomes (Task 6.7)**

WP6: Stakeholder Engagement, Dissemination and Commercial Exploitation

WP6: Stakeholder Engagement, Dissemination and Commercial Exploitation (M1-M60) Tasks
